## ABOUT

Dedicated third-year Computer Science Engineering student with a passion for web development and a strong foundation in competitive programming and data structures and algorithms (DSA). Proficient in React.js, CSS, and Firebase, with hands-on experience in creating user-friendly, award-winning projects. A collaborative team member who utilizes GitHub for effective project management and version control. Eager to contribute technical skills and innovation to the field of software development.

## LANGUAGES AND TECHNOLOGIES

C,C++: STL	Javascript	HTML	MongoDb	VsCode
Java	Boothstrap	CSS	Express	DSA
Python	Firebase	React.js	Nodejs	Competative Programming

## PROJECTS

### Blogging Site

[Website](#)

- **Tech:** React.js, Firebase (Firestore, Auth), CSS(styling), HTML
- **Description:**
  - React.js: Implemented React Routers to provide a seamless user experience without page reloads.
  - Security: Used Firebase authentication to track the author of blogs.
  - Responsive: Media queries is been used to make page responsive.
  - Scalability: Using a highly scalable No-SQL firestore database give ability to serve a large userbase.

### CSE Branch Website - Manzar

[Website](#)

- **Tech:** React.js , CSS (styling)
- **Description:** Leveraged React.js and CSS to create an engaging project featuring dynamic carousels and seamless navigation using React Routers. Collaborated effectively via GitHub, and the innovative use of React Router solved the problem of page reloading on our current college site, earning the project high praise from judges.
- **Achievement:** Designed and developed an award-winning project for the "Manzar" competition, securing **1st place** in the Manzar Website making competition.

## EDUCATION

### • B.E. Computer Science & Engineering

Shri Ramdeobaba College of Engineering And  
Management Nagpur **CGPA: 9.45**  
2021-2025

### HSC Bifocal in Computer Science

Yashoda Pubic School and Junior college, Nagpur  
2019 - 2021 **Grade: 94.8%**

### School Secondary Certificate

Saraswati Vidyalaya, Shanker Nagar Nagpur  
2013 - 2019 **Grade: 92.4%**

## CERTIFICATION

### The Linux Foundation

- Blockchain: Understanding Its Usage and [Certificate](#)  
Implications

### Stanford Online

- Advance Learning Algorithms [Certificate](#)
- Supervised Machine Learning: Regression and  
Classification [Certificate](#)

### University Of Helsinki

- Element Of AI [Certificate](#)
